

2010 ENGINEERING & SURVEYING EXCELLENCE AWARDS PROGRAM

REMINDER!

Each year, ACEC/Michigan honors outstanding engineering and surveying projects.

The 2010 ACEC Engineering & Surveying Excellence Awards Banquet will be held on Saturday, February 20, 2010 at the Public Museum of Grand Rapids.

“The ACEC Awards program presents many opportunities to recognize unique projects, clients and engineers. The depth and breadth of talent exhibited each year certainly is inspiring.”
-- Theresa S. Petko, URS Corporation

Members of the Excellence Awards Committee want to remind you that many important dates are fast approaching as we prepare for next year’s event.

We urge you to take photos of your

top projects and start building your company’s project submittals to receive recognition for the quality work you do.

Please mark your calendars!
