

CEPAC CONTRIBUTOR FORM

Contributions are voluntary and are not a membership requirement in ACEC/Michigan. However, the Consulting Engineers Political Action Committee (CEPAC) is one of the most effective tools we have to support candidates who will fight for our industry in the Michigan Legislature. Under current Michigan law, we are allowed to come together under CEPAC and fund campaigns to help elect and re-elect legislators who understand and support our firms and industry. ACEC firms will be recognized annually for their CEPAC contributions based on the following contribution levels:

Platinum (over \$2,000) Gold (\$500 - \$1999) Silver (\$200 - \$499) Bronze (up to \$199)

Yes! I would like to help CEPAC support members of the state legislature who will fight for the business interests of the engineering community.

Enclosed is my personal contribution of \$ _____

Name _____

Firm _____

Home Address _____

City, State, Zip _____

Phone _____ Fax _____ E-Mail _____

Make *personal* checks payable to **CEPAC** and mail form and checks to:

**ACEC of Michigan, Inc.
P.O. Box 19189
Lansing, MI 48901-9189**

Engineering firms have much to lose if we are not an active part of the political process during elections. Please join CEPAC today and help us maintain a strong and effective government affairs program representing ACEC/Michigan's interests.

Partnership and sole proprietorship checks are permitted, however, state law prohibits corporate checks. Contributions or gifts to CEPAC are not deductible as charitable contributions for state income tax purposes.
