Re: Annual Conference Exhibitor Opportunities

Date: February 10, 2010

On Wednesday, May 5, 2010, the American Council of Engineering Companies of Michigan will be holding its 2010 Annual Conference at the Lansing Hotel & Conference Center. Decision makers from all of the State's leading engineering firms as well as representatives of various State Departments and members of related engineering organizations will be in attendance.

Contact opportunities are abundant with breakfast, lunch, session breaks and the closing session all taking place near the exhibit space. The conference will feature a National ACEC speaker, futurist, gubernatorial candidate panel and plenty of networking.

Exhibit booths will consist of an 8-foot table and two chairs. Spaces are priced at \$500 each and will include conference registration for one individual. If you are interested in reserving a booth, please complete the attached form and return it with your non-refundable deposit of \$100 by **April 16, 2010**. Your company name will be listed in the day's program.

If you have any questions or require any additional information, please contact Cindy Schmitz at (517) 332-2066.
